Stephanie said she will possibly get a donation of a hanging plant from Harris Teeter, or some other options of things for teachers

Easley went to Lowes and they can donate 25 succulents, seed packets and sell any other succulents to us at cost.

Stephanie said we should have the money in the budget to buy items at cost. We have spent \$585.

Julie said she proposes that we buy the rest of the plants for the teachers and staff.

Maren seconded.

All board members agreed. None disagreed.

Easley will go and buy 60 plants and have them reimbursed.
